
About Pegasus

Founded in 1973, Riding for the Disabled ACT Inc. (Pegasus) was established to provide horse-facilitated therapy programs and activities aimed at developing abilities for people with a disability.

Pegasus operates on 100 acres on the fringe of Canberra (at Holt). Training rooms, indoor and outdoor arenas, stables, yards and fences have been constructed to aid our activities thanks to the goodwill and support of the community.

As a charitable organisation, we take advantage of the ability to hire our arenas and facilities to the general private individuals and organisations.
